

# Practice **Your** Danish

**+** Røde Kors

We the Langeland Red Cross volunteers want to help children, young people and adults practice the Danish language. By participating, you will be able to develop not only your language, but also your knowledge of the new community you are in.

If you are interested or would like more information, you can contact us by email, phone or simply pay us a visit on Wednesday between 15:00 and 17:30 at Frivilligcenter Langeland (Fredensvej 1) starting with 09.03.2022
